

Winning numbers are based on the “score” of the game at the end of the 1<sup>st</sup> quarter , 2<sup>nd</sup> quarter, 3<sup>rd</sup> quarter, and “final score”. There will be “one” winner per quarter. Winning numbers are where the AFC Champs score and the NFC Champs score meet on the chart and taking the “last digit” of that score and matching it to the numbers on the chart. (ie. AFC 14, NFC 7..... AFC #4, NFC #7; as indicated on the chart). The prize fund is as follows:

End of 1 <sup>st</sup> Quarter .....	\$50.00
End of 2 <sup>nd</sup> Quarter.....	\$100.00
End of 3 <sup>rd</sup> Quarter.....	\$150.00
Final Score.....	\$700.00

One more thing , everyone (guys and gals) please bring your favorite team jersey, hats and/ or tee shirts and support your team. Even if your team didn’t make it to the Superbowl, we would like everyone to still support their team in this fashion. We will be taking several pictures that will ultimately end up on the DTD web site and in your various scrap books.

Thank you

Richard Curry
